

Application for Financial Aid to Attend Scottish Weekend

Scottish Weekend (SW) promotes Scottish Country dancing; provides attendees with instruction in Scottish Country dancing; and provides the opportunity to participate in social Scottish Country dancing programs. The SW Scholarship Program was developed to give financial assistance to academic students, new dancers (6 months experience minimum), more experienced dancers in need of financial assistance to participate, and musicians learning techniques for playing SCD music.

Your application for assistance is due to the SW registrar by August 1: Fred Eustis, Registrar, PO Box 21261, Catonsville, MD 21228. The SW Scholarship Committee will review all applications by August 15. Award amounts will be determined by the scholarship committee based on established need of the applicant and benefit to both the applicant and the Scottish Country dancing community. Scholarship applicants must register and pay the \$50 deposit to be considered for an award. Be as complete as possible in filling out this application. In addition, you are required to get a letter of recommendation from your Scottish Country dance or music teacher. Please provide your teacher with the enclosed Teacher Recommendation form and a stamped/addressed envelope, and ask her/him to mail it to the SW Registrar, Fred Eustis, PO Box 21261, Catonsville, MD 21228.

Scholarship recipients should be willing to help with small camp jobs during the weekend. They should expect to be contacted by Scottish Weekend's volunteer coordinator.
